You authorize us to follow any instructions you or your authorized agent enters through the Services using your password. Because your password can be used to access money and information about your Accounts, you should treat your password with the same degree of care and secrecy you use to protect your automated teller machine (“ATM”) card, personal identification number (“PIN”), or other sensitive personal financial data. You agree not to give your password, write it down for visible viewing, or make it available, to any person not authorized by you to access your Accounts. You agree not to share your username or ID and passwords with any person that you are not authorizing to act on your behalf, and you agree not to access our system or to access any third-party system, which may impact the Services through the use of someone else’s username, User ID or password. You may access MidFirst Mobile using biometric recognition tools as available through your device, such as touch identification or facial recognition. If you enable access through such tools, you acknowledge that every person registered for such tools on your enabled device will have access to your MidFirst Mobile account and the Services available on your Account, such as Bill Pay, the Zelle® Service and Mobile Deposit. It is your responsibility to ensure that each person authorized to use your device’s authentication tools is authorized to access the personal and financial information available within MidFirst Mobile. We do not see or store any biometric information.
6. **Service Availability.** The Services are available twenty-four (24) hours a day, seven (7) days a week, except during our maintenance periods and periods in which we are unable to offer the Services for technical or strategic reasons, which are in our sole discretion. We will not be responsible to you or any other third parties for any periods of time when the Services are unavailable or for any delays caused by unavailable Services.
7. **Balance Inquiries, Account Information and Transfers.** You may use certain Services to check the balance of your Accounts and to transfer funds among your designated Accounts. In order to initiate one of these transactions, you must first access MidFirst Bank’s website via an Internet connection or sign on to MidFirst Mobile and sign on to the Services using your User ID and password. Account balances will be current as of the date and time you sign on to the Services or as set forth in notices or terms of use on the MidFirst Bank website from time to time. The balance displayed by the Services may include deposits or transactions still pending and/or subject to verification. The balance shown also may differ from your records because it may not include deposits in progress, check card authorizations, outstanding checks, or other pending withdrawals, payments,

transactions or charges. Funds transfers will be made available in accordance with the “Funds Availability Policy” as set forth in the Account Agreement and Disclosures or as set forth in the terms governing the Service used to transfer funds. If there are insufficient funds in an Account from which you are requesting a funds transfer, we reserve the right to reject or cancel your request. In addition, your ability to make certain transfers from certain types of Accounts may be limited by Applicable Law (see the Account Agreement and Disclosures for more information). Subject to the terms and conditions of enrollment, you will be able to view information for one or more Accounts in which you have an ownership or relationship. If you do not wish to have the right to view any particular Accounts, please call the MidFirst MoneyLine at 1.866.626.3888, and we will remove the capability to view the Account from your Online Banking access.

8. **Service Eligibility.** Not every Account is eligible for every Service, and not every Service is available in both Online Banking and the MidFirst Mobile App. Certain Services are available for Consumer Accounts only. Certain Services may be available only for Accounts owned by individuals who are age eighteen (18) or older. Users enrolled in such Services acknowledge and represent that they are age eighteen (18) or older or that they are the legal guardian of any User under the age of eighteen (18) and that they shall be held responsible for any and all actions in connection with the Services.
9. **External Transfers.** External Transfers are limited to eligible personal accounts; not all personal Accounts or External Accounts are eligible for External Transfers. Business accounts are not eligible for this service.
 - a. Types of External Transfers. External Transfers may be either outbound or inbound. Outbound External Transfers are when you transfer funds from your Account to an External Account. Inbound External Transfers are when you transfer funds from an External Account into your Account. All External Accounts that are used to schedule outbound or inbound External Transfers must be properly identified and registered with Bank. You must have full authority to transact and schedule External Transfers on both Accounts and External Accounts.
 - b. Authorization for Inbound External Transfers. By enrolling an External Account for inbound External Transfers, you represent and warrant that you are an owner of that External Account, and you authorize Bank to initiate debit transactions on that External Account according to your instructions entered through Online Banking and to correct any errors that Bank may identify. This authorization will remain in effect until you delete the External Account from the External Transfer service. **You should use extreme caution when you register an External Account for inbound External Transfers; never register an External Account for inbound transfers if you are not the owner of that account.**
 - c. Preauthorized and Recurring Transfers. You may use the External Transfer service to establish preauthorized transfers on a one-time or recurring basis. Recurring preauthorized transfers are those transfers that you set up in advance to automatically occur at regular intervals that you establish. When you set up an External Transfer in advance, you authorize Bank to initiate such transfers according to the instructions you provide through Online Banking. Your authorization for recurring transfers will remain in effect until you delete such transfers from your External Transfer service.
 - d. External Account Information. You are required to complete and provide all Bank requested information for External Transfers, including, but not limited to, account numbers, routing numbers, bank information, and any other information or documentation reasonably requested by Bank. It is your responsibility to ensure the validity and accuracy of any External Account information. We validate External Accounts as required under the Rules. Accordingly, outbound External Transfers may not be recoverable if sent to an incorrect account. Bank reserves the right to reject enrollment of an External Account for the External Transfer Service for any reason. External Accounts are subject to the rules, terms, conditions, and regulations of the account-holding institution, and your relationship with each External Account provider is independent of Bank and your use of the External Transfer service.
 - e. Funds and Processing. You must have sufficient funds in your Account and/or the applicable External Account for the External Transfer to be completed. Any External Transfer initiated on any Business Day after 6 p.m. CT, may not be processed until the next Business Day. Funds transferred into your Account by External Transfer will be available no later than the fifth (5th) Business Day following the scheduled External Transfer date. It is recommended that you schedule your External Transfers in advance to allow ample time for Bank to work through any processing

errors or issues for failure to confirm the authority or accuracy of information on the External Account. Bank may notify you of any failure to be able to process any External Transfer as Bank is made aware of such. Once an External Transfer is initiated or in process, it cannot be canceled. If an External Transfer is scheduled and authenticated using your Account, computer, and security information, then any such External Transfer will be your responsibility, regardless of mistake, error or fraud, subject to Applicable Law.

- f. **Limits.** External Transfers (inbound and outbound combined) are limited to and may not exceed \$25,000 per day and per transaction and are limited to and may not exceed \$100,000 per calendar month. Furthermore, the number of both inbound and outbound External Transfers is limited to five (5) transfers per day and nine hundred and ninety-nine (999) per calendar month. These amounts and limits may be modified or changed from time to time in the Bank's discretion or on an exception basis by Bank, at Bank's sole discretion. Subject to Applicable Law, Bank shall have no liability to you or any other person or entity whatsoever for any failure to comply with Bank External Transfer procedures, Security Procedures, the terms of this Agreement, insufficient funds in any Account or External Account, inaccurate information provided by you or a third party, system failures or interruptions, or any failure of any External Transfer to be completed as requested and/or scheduled due to any reason, except for Bank's gross negligence or willful misconduct. All External Transfers must be properly authenticated and in compliance with Applicable Laws.

10. Bill Pay Service. The Bill Pay Service is an optional online banking service available for customers age eighteen (18) or older that allows payments to be scheduled from authorized and designated Accounts to third parties selected in advance to receive payments ("Payees"). Not all accounts are eligible for the Bill Pay Service. Any Accounts requiring two or more signatures or authorizations to withdraw or transfer funds may not be used as a Billable Account.

- a. **Payees.** You may make payments through the Bill Pay Service to any business, merchant, or professional that generates a bill or invoice for products or services provided to you, or on your behalf, and that has an address ("Business Payees"). You also may make payments through the Bill Pay Service to individuals, family or friends for nonbusiness purposes ("Personal Payees"). The terms "Payee" or "Payees" includes both Business Payees and Personal Payees, as applicable. Bank reserves the right, in Bank's sole discretion, to determine, at any time, how a Payee should be classified. You can include up to four thousand nine hundred and ninety-nine (4,999) Payees on your Payee list. Payments may be made only to Payees with a U.S. payment address. Certain Payees have provided preferred payment information, which is managed by Bank's service provider ("Managed Payees"); if you identify such a Managed Payee, you will be prompted to select that Payee from a drop-down list. You authorize Bank and its third-party vendor to adjust Managed Payee information to reflect the information on file with the third-party vendor to facilitate payment to such Payees. You must manually enter Payee information for Payees other than Managed Payees; you must provide Bank with complete and accurate information to enable Bank to properly direct a payment to the correct Payee and the correct Payee account ("**Payee Information**"). Payee Information will include, but not be limited to, the name, telephone number, and address of the Payee and the Payee account number. You can enter Payee Information directly using the Bill Pay Service. Additions, deletions and changes to Payee Information are entered directly by you, and are communicated to Bank upon transmission of the information to Bank. Additions, deletions, and/or changes to Payees will be effective immediately. Bank may rely on the accuracy of the Payee Information provided, until such time as you notify us otherwise. Any notifications for additions, deletions, or changes must be in writing and provided to the Bank before they will be effective. Bank will have a reasonable amount of time to implement changes to your Payee Information. Bank will endeavor to update all Payee Information change requests within one (1) full Business Day of Bank's receipt of the request.
- b. **eBills.** You may elect to activate electronic bill statement presentment and payments ("**eBills**"), which will allow you to establish a payment schedule for such eBills to be paid through the Bill Pay Service. With the payment schedule, you can select to pay a designated fixed amount, the total amount of the bill due, the minimum amount of the bill due, or a reoccurring amount with a specific set of designated options based on the eBill presented for payment. In addition, you can determine the desired date you want to pay your bill; you should schedule your payments at least five (5) to seven (7) Business Days prior to the due date of the bill or upon your receipt of the eBill. You have sole

responsibility for setting up eBill presentment through your third-party service providers or bill presenters (“**Billers**”) and for receiving and reviewing billing statements directly from your Biller. Bank has and will have no authority to set up your eBill services with your Billers and shall have no authority or obligation to make any changes or updates to any of your personal information, including, but not limited to, name, address, phone number, email address, Internet protocol (“IP”) address, or any other personal information changes or modifications with Biller. You will have sole responsibility for updating your personal information with Bank and with Biller separately. Additionally, you will be solely responsible for maintaining, protecting, and updating any and all usernames, passwords, or authentication techniques with your Biller and with Bank and their respective electronic or Internet websites. It will be your responsibility to activate eBill presentment through your Biller and set up all authorization and notification requirements. By activating your electronic billing through the Biller, you authorize Bank to act on your behalf to access your billing statements and information necessary to pay bills through eBills and the Bill Pay Service. You understand and agree that the Biller may require several billing cycles to set up your request for eBill presentment to the Bank, and you agree to schedule and plan for any delays. You will be solely responsible for maintaining a current balance and paying all bills timely with your Billers; Bank shall have no liability whatsoever to you or the Biller for any reason for any late fees, expenses, or late payments and you agree to indemnify and hold the Bank harmless from any Biller or other third-party claims, damages, expenses, costs, or fees which arise out of or relate to eBills or the Bill Pay Service. Both Bank and the Biller reserve the right to accept or deny any payments made through the Bank Bill Pay Service for any reason. Bank’s system will store up to eighteen (18) months of bill payment summary information with respect to eBills. If an eBill is received indirectly by Bank, (i.e. Bank pulls the eBill information directly from the Biller’s online website for payment) it can be stored on the Bank system for up to eighteen (18) months; however, if an eBill is received directly by Bank, (i.e. the Biller distributes and sends the eBill directly to Bank’s third-party payment processor for presentment on the Bank system for payment) the eBill image will be available only for the time prescribed by the Biller. The retention and ability to see eBill history will be at the discretion of the Bank and/or Biller based on how the eBills are presented and received for payment. Bank shall have no liability for eBill historical information, which is outside the control of the Bank. You must request copies of any billing statements directly through your Biller and set up eBills in accordance with Bank instructions. You should monitor and keep track of all bills paid and those pending for payment. Bank is not responsible for the accuracy of any eBills presented or received by Bank; any discrepancies or disputes regarding the accuracy of any bills or payments must be addressed directly to the Biller. As necessary, you grant Bank the right to access the necessary third-party website or system to retrieve necessary account and billing information on your behalf; however, Bank shall have no responsibility or liability for any Biller who fails to provide necessary information or data required by Bank to process an eBill in a timely manner. You are responsible for making sure your eBills are timely paid and that accurate information is provided.

- c. Scheduling Bill Payments. You may electronically schedule a payment using the Bill Pay Service. Payments may be made in any amount of not less than \$1 and not exceeding \$25,000 (“Payment Range”). Your total electronic payments for any given Business Day may not exceed \$25,000 (“Daily Payment Range”). Bank reserves the right to change the Payment Range and/or the Daily Payment Range at any time. Such changes will be effective upon Bank’s implementation and posting of such on its systems or website. Furthermore, Bank reserves, in Bank’s sole discretion, the right to allow exceptions to the Payment Range and Daily Payment Range based upon certain criteria, including, but not limited to, total relationship with Bank, your credit scores, and/or special requests. As part of the Bill Pay Service, you will designate the Account for payments to be deducted.
- d. Delivery of Bill Payments. Using the Bill Pay Service, you may “schedule” a payment for a particular date. The funds for the payment will be deducted from your Account upon the date of scheduling of the payment to Payee; this date may be different than the date a payment is scheduled to be sent or actually sent to the Payee. If your Account has insufficient funds, or is no longer an active account in good standing with Bank, then your payment may be delayed or canceled, and you will be responsible for any fees or expenses resulting from such delay or cancellation. Transmission of the payment occurs when your payment is sent to the Payee for delivery; the date the payment is actually sent to the Payee for delivery is the “Transmit Date.” The date the Payee actually receives payment may be

later than the Transmit Date, and will depend on whether the payment is made electronically or by check, as discussed below.

- i. Payments and Funds Verification. You may schedule payments on the same date of your request (“**Same Day Payments**”), on a future date (“**Future Payments**”), or on a recurring basis (“**Recurring Payments**”). For each of the payment types, funds will be verified and withdrawn from your Account on the same day as the payment is scheduled. In the event the funds in your Account cannot be verified by Bank, then Bank may delay or cancel your scheduled payment(s) and/or Bank may send the payment requests through its exceptions processing procedures for further Funds Verification; any exceptions processing will be in Bank’s sole discretion. If your Account has insufficient funds, your payment may be delayed or canceled and Bank shall have no liability for such delay or cancellation.
 - ii. Same Day Payments. Same Day Payments will generally be transmitted the first (1st) Business Day following the day you schedule the payment, provided you have sufficient funds in your Account, your Account is in good standing and there are no restrictions or holds on your funds. Future Payments and Recurring Payments will generally be transmitted on the scheduled payment date. If the scheduled payment date falls on a day other than a Business Day, the payment will generally be transmitted on the next Business Day following the scheduled payment date. You should schedule your payments accordingly, taking into consideration any potential transmission delays, including, but not limited to, Payee address or instruction changes, technical or transmission failures or delays and other circumstances, which may be foreseeable or unforeseeable.
 - iii. Payment Methods. We may remit your payments by mailing your Payee a check drawn on a Bank account, we maintain for this purpose, by electronic funds transfer, or by other acceptable means, as Bank may determine, unless otherwise instructed by you when you order an Expedited Payment (as defined below).
 - iv. Processing Time. In order to provide sufficient time for payments to be received by your Payees, electronic payments must be scheduled at least three (3) Business Days prior to the due date and all other payments must be scheduled a minimum of seven (7) Business Days prior to the date the payment is due, excluding any applicable grace periods.
 - v. Expedited Payments. “Expedited Payments” allow you to schedule a payment and have the payment sent on the same or the next Business Day as scheduling the payment, depending on when your Expedited Payment is scheduled. By scheduling an Expedited Payment, you may schedule and pay bills the same day electronically or cause an overnight check to be issued and sent to the Payee. For same Business Day electronic or overnight check payments, you must schedule your payment prior to 6:45 p.m. CT Monday-Friday. If you schedule an Expedited Payment after 6:45 p.m. CT Monday-Friday or on a non-Business Day, then your payment will be processed and sent the next Business Day. In addition to the foregoing Bank limitations, all Expedited Payments are subject to Payee validation, Payee established cut-off payment time frames, and Funds Verification. There is an additional premium fee for Expedited Payments, which will be assessed and charged to your Account in accordance with the Account Agreement and Disclosure and Fee Schedule. Some exceptions may apply to Expedited Payments, and you will immediately be contacted in the event your Expedited Payment request cannot be met by Bank. Once an Expedited Payment is scheduled, it cannot be canceled.
 - vi. Payment Cancellations. Bank reserves the right to refuse, suspend, or reject any payment or payment request and/or to cancel the Bill Pay Services at any time for any reason. Bank is not responsible for any returned payments or fees associated therewith, due to inaccurate information provided by you, your representatives, or any third parties.
- e. Stopping, Cancelling or Changing Bill Payments. You may use the Bill Pay Service to electronically change the payment amount and/or the scheduled payment date of any previously scheduled payment, or to electronically cancel a previously scheduled payment, subject to the limitations herein. A Same-Day Payment may be canceled, changed or rescheduled using the Bill Pay Service any time prior to 8 p.m. CT on the scheduled payment date. Future Payments and Recurring Payments may be canceled, changed or rescheduled any time prior to 8 p.m. CT on the

Business Day prior to the scheduled payment date. If your payment has already been transmitted, it may not be canceled or stopped through the Bill Pay Service. If your payment was transmitted by mailing a check, you may request a stop payment by calling the MidFirst MoneyLine at 1.866.626.3888. Bank will require your name and account number, the date drawn, the exact amount of the payment, and the Payee Information to attempt to fulfill your request. Bank may require you to put your request in writing and get it to us within fourteen (14) Business Days after your initial contact to Bank, or your stop payment order will cease to be binding. All requests to stop payment will incur the stop payment charge as set forth in the applicable Fee Schedule. ONCE AN ELECTRONIC PAYMENT HAS BEEN TRANSMITTED, IT CAN NOT BE STOPPED.

- f. Liability. You specifically acknowledge and agree to be bound by all terms of the Account Agreement and Disclosure and this Agreement. Additionally, you agree that Bank shall not be liable in the event that a scheduled payment is transmitted in accordance with the timing specifications set forth herein, but is not received by the Payee in a timely manner. Bank may suspend, reject, delay, cancel, or refuse a bill payment for any reason, and Bank shall have no liability to you or any third party for any such suspended, rejected, delayed, canceled, or refused bill payment, where Bank acts in good faith. You will be responsible for (i) protecting your information, passwords, login information, and other security with Bank and with any Billers; (ii) periodically updating and providing accurate and current personal information; (iii) properly following any Biller instructions for setting up and activating eBill billing statement presentment to the Bank; and (iv) fulfilling all other obligations under this Agreement. Under no circumstances will Bank, its affiliates, subsidiaries, officers, employees, or representatives be liable to you or any third parties for any delayed, late, or canceled payments, fees, expenses, or costs due to insufficient funds in your Account, inaccurate information provided by you or your representatives, services not properly activated, Accounts with restricted funds or instructions, inactive Accounts, or Accounts not in good standing with the Bank. If we do not complete a transfer to or from your Account on time or in the correct amount according to our agreement with you and your instructions, we will be liable for your losses or damages, subject to the exceptions set forth in Section 19(f).
- g. Terminating Bill Pay. You may terminate your use of the Bill Pay Service at any time by calling the MidFirst MoneyLine at 1.866.626.3888 or by writing us at MidFirst MoneyLine, 999 NW Grand Blvd., Suite 600, Oklahoma City, OK 73118-6054, or at such other telephone numbers or addresses as included in the Account Agreement and Disclosure, or as otherwise posted on Bank's website from time to time. You must notify us at least ten (10) Business Days prior to the date on which you wish to have your Bill Pay Service terminated. Your request to terminate the Bill Pay Service must be in writing and contain the requested date of termination. If you have scheduled payments pending with a scheduled payment date within this ten (10) Business Day period, you are responsible for separately and independently canceling those payments. Bank shall have no liability for any failed, terminated, or canceled payments following any notice of termination of the Bill Pay Service from you. If Bank has not completed processing of your termination request and you have not otherwise canceled a payment, you will be responsible for payments with scheduled payment dates during the ten (10) Business Days following our receipt of your written notice of termination. Bill payment fees will apply up and through the effective month of termination. Bank may terminate your use of the Bill Pay Service, in whole or in part, at any time with or without prior notice to you for any reason, and Bank shall have no liability whatsoever for any failed, terminated, or canceled payments due to such termination. Your access to the Bill Pay Service will terminate automatically if your Billable Account is closed, or if access to or funds in your Billable Account are restricted for any reason. Bank reserves the right to terminate your access to the Bill Pay Service if you do not access the Bill Pay Service during any ninety (90) day period. If you would like to transfer the Bill Pay Service to a different Account with Bank, you must provide at least seven (7) Business Days advance written notice to Bank. Termination will not affect your liability or obligations under this Agreement for transactions processed by Bank on your behalf and through any termination or any transfer of Accounts.

11. **Credit Card Account Access.** If you have applied for, are eligible for, and have received a Bank credit card, then your Credit Card Account will automatically be linked with your other personal Accounts in Online Banking. Your eligibility to receive a Bank credit card is subject to a separate credit card application, approval, and cardholder agreement; if a Credit Card Account is opened, it will be linked to your personal Accounts for purposes of viewing credit card information.

From Online Banking system, you will also be able to sign in directly to your Credit Card Account, through a single sign-on process. In Online Banking system, your Credit Card Account will be identified by the last four digits of your Credit Card Account. You will only be able to view Credit Card Account transactions through Online Banking. You will be able to manage your Credit Card Account through a single sign-on connection and link to the “eZCard” system, which is a robust system allowing you to view and manage your Credit Card Account, as well as make payments, schedule future payments, review transactions, see historical information, etc. If you do not want your Credit Card Account automatically linked to your personal Accounts profile, you will need to call the MidFirst Bank MoneyLine at 1.866.626.3888 to request the Credit Card Account be removed from your Online Banking profile.

12. Through the single sign-on to eZCard from Online Banking, you will be able to perform the following functions with respect to your Credit Card Account:
 - a. Viewable Options. Through eZCard, you will be able to view and manage the following, in addition to other capabilities:
 - i. View your next minimum payment;
 - ii. Identify when the next minimum credit card payment is due;
 - iii. Review the date and balance of the last credit card statement;
 - iv. View the amount and date of the last payment posted to the Credit Card Account;
 - v. Review your total available line of credit;
 - vi. Review your remaining available credit line based on your current balance;
 - vii. View your annual percentage rate by balance category; and
 - viii. View and search transaction history and information.
 - b. Payment Options. In addition to functions above, you will have the ability to make payments to your Credit Card Account from your Bank Account or from an account held at another financial institution. You may make one-time payments or set up recurring payments in either a fixed payment amount or a variable payment amount based on your Credit Card Account statement balance and statement date. Your payment will be made from the account you select in the amount and on the date instructed and scheduled by you and will be subject to the account agreement governing the selected account. You will also have the option to select a date in which you want any recurring payments to stop. All payments to your Credit Card Account must be submitted prior to 4 p.m. Central Time (“CT”) in order to post during the same day; otherwise any payments made to your Credit Card Account after 5 p.m. Eastern Time (“ET”) will be credited to your Credit Card Account the next Business Day. You will have the ability to review your payment history, make one-time payments, and manage your payment accounts, (both Bank and non-Bank accounts) through the eZCard system, accessible from Online Banking.
 - c. Alerts. You may also set up and manage alerts through the Online Banking system and/or the eZCard system to receive notice of Credit Card Account balance information, payment related status updates, as well as other types of standard or customized alerts.
 - d. Other Options. In addition to the foregoing, you will also have the option through the eZCard system to view and search your credit card transactions, select your preference for receiving paper or electronic statements, as well as other options and functionality that are subject to change from time to time. The eZCard card system may have other restrictions and cut-off times that apply when processing payments, which are subject to change from time to time, so you will need to review the restrictions and timing requirements within the eZCard system.
 - e. Reward Credit Card Accounts. If you are a Rewards Credit Card Account holder, then through a single sign-on from Online Banking, you will have the ability to view your reward point balances and review your options for redeeming

reward points, in addition to other available options for viewing and managing your reward points associated with your Credit Card Account. The reward points associated with your Credit Card Account are subject to additional terms, conditions and rules, which are available through the applicable website.

13. **Email and SMS (Text) Message Alerts.** Online Banking offers a feature whereby you may request that we send you an “email or SMS (text) message alert” upon the occurrence of certain specified events, such as when your Account reaches a specified minimum or maximum balance, when a transfer has successfully occurred or has failed, when your certificate of deposit is scheduled to mature, or when certain deposits to or checks drawn on your Account have cleared. These alerts may be received by you via your email address or mobile phone number. In order to request this feature, you must complete the appropriate online form specifying method of notification and your email and/or SMS (text) message alert preferences. You acknowledge and agree that, although we will attempt to transmit email and/or SMS (text) message alerts in accordance with your specifications, email and/or SMS (text) message alerts are not guaranteed to be accurate, nor are they guaranteed to be sent by us or received by you on a timely basis. You agree that Bank shall have no liability or responsibility to you or any other parties whatsoever for any damages, losses, fees, fines, or costs associated with delay or failure of an email and/or SMS (text) message alert. You agree to take appropriate steps to verify and confirm alert information independently and periodically verify such information is correct. You may also call the MidFirst MoneyLine at 1.866.626.3888 to verify activity and balances or to obtain information regarding your Account. **YOU ARE AND SHALL REMAIN LIABLE FOR ANY AND ALL WIRELESS CARRIER, INTERNET OR OTHER MOBILE DEVICE CHARGES THAT MAY APPLY FOR EMAILS AND/OR SMS (TEXT) MESSAGES SENT OR RECEIVED.** Please refer to your wireless and/or Internet plan to determine the cost of using the Internet through your wireless device.
14. **Debit Card Controls.** You can use the Debit Card Controls service to restrict usage of your debit card by restricting the geographic area(s) where your Debit Card can be used, managing transaction types, and limiting transaction amounts and types. To use Debit Card Controls, you must first add an eligible debit card using MidFirst Mobile. You can restrict the geographic area(s) in which Debit Card transactions can be made by selecting “Block International” in Location Controls to restrict international transactions or by selecting “My Regions” in Location Controls to set specific regions in the United States where transactions will be authorized. In order to provide location services, MidFirst Mobile uses your device’s GPS tracking capabilities, and you must enable those capabilities for your device. You can also restrict the type(s) of transactions that can be made using your Debit Card by turning on the “Enable Transaction Types” function and enabling and disabling certain transaction types. For example, you can turn off ATM transactions and eCommerce transactions while leaving your Debit Card available for auto payments and in-store transactions. You can also manage the types of merchants where your Debit Card can be used by turning on the “Merchant Types” function and enabling and disabling merchant types. For example, you can enable transactions at grocery stores and gas stations while disabling transactions at restaurants and department stores. MidFirst does not control how a merchant is recognized by type. You can set a daily transaction threshold by turning on the “Threshold Amount” function and entering a daily transaction limit amount. This threshold will not affect your Debit Card limits. You can also disable your Debit Card entirely. When you disable your Debit Card, you will not be able to make any purchases or withdrawals with your card. If your Debit Card has been lost or stolen, you must still notify us immediately as set forth in the Account Agreement and Disclosures; disabling your card is not notice to us of a lost or stolen card. When you restrict usage of your Debit Card through Debit Card Controls, you acknowledge and agree that you release us from any liability for transactions that may be rejected due to your elected controls.

You can also use Debit Card Controls to set alerts based on transaction types, merchant types, thresholds, and international transactions. We do not guarantee that alerts are accurate, and you should confirm any information provided by way of an alert. We do not charge for alerts; however, your mobile carrier may charge you for messages received.

When you enroll your Debit Card in the Debit Card Control service, you acknowledge and agree that we are providing you this service as a convenience only. **Your responsibilities to monitor your monthly statements and to provide us with notice of unauthorized transactions or lost or stolen cards are not affected by any elections you make using Debit Card**

Controls.

15. **Digital Receipts.** You can use the Digital Receipts service to capture and temporarily store transaction receipts. The Digital Receipts service is owned by a third party and provided to you through MidFirst Mobile. You can capture and store digital purchase receipts, digital return receipts, gift receipts, and other transaction records. Receipts will be stored for ninety (90) days. You should keep your original receipts. The Digital Receipts service is intended as a convenience and should not be used as a substitute for retention of receipts.

- g. Retention and Disposal of Transmitted Items. Upon your receipt of confirmation from MidFirst that we have received the image of an item, you must retain the original of each item for fifteen (15) business days from the date of transmission. The Bank Fee Schedule was provided at the opening of your Account and is updated from time to time by MidFirst and made available to you.

Zelle® Service Terms and conditions

These Zelle® Service Terms and Conditions (“Zelle® Terms”) and the Online and Mobile Banking Customer Agreement (the “Agreement”) govern your use of the Zelle® payment service (the “Service”). If an inconsistency between the terms of the Agreement and the Zelle® Terms occurs, the Zelle® Terms will control. **You should read these Zelle® Terms carefully and keep a copy for your records.** By clicking “I Agree,” you agree to the Zelle® Terms. We may amend these Zelle® Terms at any time, subject to applicable law. Each time you use the Zelle® Service, you agree to the terms of the Agreement and the Zelle® Terms as may be amended from time to time. Defined terms shall have the meanings assigned to them in the Agreement or as defined in Section 24 of the Zelle® Terms.

Description of Services

- a. We have partnered with the Zelle® *Network* (“Zelle®”) to enable a convenient way to transfer money between you and others who are enrolled directly with Zelle® or enrolled with another financial institution that partners with Zelle® (each, a “User”) using aliases, such as email addresses or mobile phone numbers (the “Zelle® Service”). We will refer to financial institutions that have partnered with Zelle® as “Network Banks.”
- b. Zelle® provides no deposit account or other financial services. Zelle® neither transfers nor moves money. You may not establish a financial account with Zelle® of any kind. All money will be transmitted by a Network Bank or Card Network.
- c. THE ZELLE® SERVICE IS INTENDED TO SEND MONEY TO FRIENDS, FAMILY AND OTHERS YOU TRUST. YOU SHOULD NOT USE THE SERVICE TO SEND MONEY TO RECIPIENTS YOU DO NOT KNOW OR YOU DO NOT TRUST.
- d. Neither we nor Zelle® offer protection for purchases or service payments you make using the Zelle® Service. You should not use the Zelle® Service to purchase goods or services not yet received or from people you do not know.

2. Eligibility and User Profile

When you enroll to use the Zelle® Service, you agree to the terms and conditions of the Zelle® Terms. You represent that you have the authority to authorize debits and credits to the enrolled bank Account.

The Zelle® Service is intended for personal use and should not be used for business or commercial purposes. Not every personal account is eligible for enrollment in the Zelle® Service; and business accounts are not eligible for the Zelle® Service. You agree that you will not use the Zelle® Service to send or receive payments in connection with your business or commercial enterprise.

We reserve the right to decline your enrollment if we believe that you are enrolling to use the Zelle® Service with your business account or to receive or send business or commercial payments. We further reserve the right to suspend or terminate your use of the Zelle® Service if we believe that you are using the Zelle® Service for business or commercial purposes or for any purposes not permissible under applicable law.

We may, in our sole discretion, decline to enroll any account that we believe poses a risk to you or to us. If you violate any of the terms of the Zelle® Terms or the Agreement; if there has been fraud or unauthorized access to your Account or the Zelle® Service; if there is negative activity on your Account; or, if we encounter any problem with your use of the Zelle® Service, you agree that we may terminate your access at any time.

You agree that you will not use the Zelle® Service to send money to anyone to whom you are obligated for tax payments, payments made pursuant to court orders (including court-ordered amounts for alimony or child support), fines, payments to loan sharks, gambling debts or payments otherwise prohibited by law; and you agree that you will not use the Zelle® Service to request money from anyone for any such payments. You agree that you will not authorize a third party to use the Service or share your credentials with a third party to use the Service on your behalf except in legally authorized situations such as legal guardianship or pursuant to a power of attorney.

Content Standards: You agree that you will not upload or provide content or otherwise post, transmit, distribute, or disseminate through the Service any material that: (a) is false, misleading, unlawful, obscene, indecent, lewd, pornographic, defamatory, libelous, threatening, harassing, hateful, abusive, or inflammatory; (b) encourages conduct that would be considered a criminal offense or gives rise to civil liability; (c) breaches or infringes any duty toward or rights of any person or entity, including rights of publicity, privacy or intellectual property; (d) contains corrupted data or any other harmful, disruptive, or destructive files; (e) advertises products or services competitive with Zelle®, as determined by Zelle® in its sole discretion; or (f) in Zelle®'s or our sole judgment, is objectionable, restricts or inhibits any person or entity from using or enjoying any portion of the Service, or which may expose us, Zelle® or our respective affiliates or customers to harm or liability of any nature.

Although neither we nor Zelle® have any obligation to monitor any content, both we and Zelle® have absolute discretion to remove content at any time and for any reason without notice. We and Zelle® may also monitor such content to detect and prevent fraudulent activity or violations of the terms and conditions. You understand that by using the Service, you may be exposed to content that is offensive, indecent, or objectionable. We and Zelle® are not responsible for, and assume no liability, for any content, including any loss or damage to any of your content. We and Zelle® make no representation or warranty that Content uploaded to a User profile accurately identifies a particular User of the Service.

The Service may include functionality for you to add a unique alpha-numeric identifier to your registered User profile to be used in lieu of your phone number or email address when sending or receiving money, which will be your “Zelle® tag.” You will be limited to one Zelle® tag per bank account, and each Zelle® tag must have one U.S. mobile phone number or email address associated with it. Your Zelle® tag must meet the Content Standards. You may not select a Zelle® tag that misleads or deceives other Users of the Service as to your identity, or otherwise. Although neither we nor Zelle® have any obligation to monitor User Zelle® tags, both we and Zelle® have absolute discretion to remove a User Zelle® tag at any time and for any reason without notice. We and Zelle® may require you to change your Zelle® tag in our sole discretion, and we may elect to make a Zelle® tag unavailable to you, without any liability to you. We and Zelle® may also monitor User Zelle® tags to detect and prevent fraudulent activity or violations of the terms and conditions. You understand that by using the Service, you may be exposed to a Zelle® tag that is offensive, indecent, or objectionable. We and Zelle® are not responsible for, and assume no liability, for any User Zelle® tags, including any loss or damage caused thereby. We and Zelle® make no representation or warranty that a User Zelle® tag accurately identifies a particular User of the Service. We respect the intellectual property of others and require that users of the Service comply with relevant intellectual property laws, including copyright and trademark laws. We may, in appropriate circumstances and at our discretion, limit or terminate the use of our products or services for users who use or publish Content on the Service that is subject to intellectual property rights claims.

3. Enrolling for the Zelle® Service

- a. You must provide us with an email address that you regularly use and intend to use regularly and a permanent U.S. mobile phone number that you intend to use for an extended period of time (i.e., no “burner” numbers). You may not enroll in the Zelle® Service with a landline phone number, Google Voice number, or Voice over Internet Protocol (VoIP).
- b. Once enrolled, you may:
 - i. Authorize a debit of your enrolled account to send money to another Zelle® Service User either at your initiation or in response to a request from another Zelle® Service User; and
 - ii. Receive money from another User either at that User’s initiation or at your request, subject to the conditions of the Section below titled “Requesting Money.”
- c. If at any time while you are enrolled, you do not send or receive money using the Service for a period of 18 consecutive months, we may contact you and/or take other steps to confirm that the U.S. mobile phone number or email address that you enrolled still belongs to you. If we are unable to confirm that you are the owner of the

mobile phone number or email address, then you understand that we may cancel your enrollment and you will not be able to send or receive money with the Service until you enroll again.

- d. Once enrolled, a Z logo will appear on your profile picture for each U.S. mobile number and/or email address that you have enrolled with Zelle®. The Z logo will be displayed to other Users to aid them in determining which of your U.S. mobile numbers or email addresses should be used to send money with Zelle®. If a User sends you money using a different U.S. mobile number or email address that they may have for you (one that is not already enrolled), you will receive a message with instructions on how to enroll with Zelle®.
- e. We may not be able to complete your enrollment in the Zelle® Service if we cannot verify your identity or other necessary information.
- f. You are solely responsible for notifying us of any change to your enrolled email address or mobile phone number, and by providing us with such information, you authorize us to rely on such information until such time as you notify us of a change in a manner that is satisfactory to us.

4. Consent to Share Personal Information and Privacy Notice

We may share information about your Accounts and any transactions made using the Zelle® Service with third parties, including Network Banks and the Network Operator, as necessary to complete transactions; in connection with offering the Zelle® Service; to facilitate or initiate investigations of claims related to your Account or funds that you send or receive using the Zelle® Service; to comply with government agency or court orders; as you may otherwise agree; and according to our Privacy Policy.

We make security and the protection of your information a top priority. You can access our Privacy Policy at midfirst.com/privacypolicy.

You can visit Zelle®'s Privacy Policy [<https://www.zellepay.com/privacy-policy>] for how it treats your data.

5. Wireless Operator Data

We or Zelle® may use information on file with your wireless operator to further verify your identity and to protect against or prevent actual or potential fraud or unauthorized use of the Zelle® Service. By using the Service, you authorize your wireless operator (AT&T, Sprint, T-Mobile, US Cellular, Verizon, or any other branded wireless operator) to disclose your mobile number, name, address, email, network status, customer type, customer role, billing type, mobile device identifiers (IMSI and IMEI) and other subscriber status details, if available, to our third-party service provider, solely to allow verification of your identity and to compare information you have provided to us or to Zelle® with your wireless operator account profile information for the duration of our business relationship.

6. Consent to Emails and Automated Text Messages

By participating as a User, you represent that you are the owner of the email address, mobile phone number, and/or other alias you enrolled, or that you have the delegated legal authority to act on behalf of the owner of such email address, mobile phone number and/or other alias to send or receive money as described in the Zelle® Terms. You consent to the receipt of emails or text messages from us, from Zelle®, from other Users that are sending you money or requesting money from you, and from other Network Banks or their agents regarding the Services or related transfers between Network Banks and you. You agree that we, Zelle®, or either of our agents may, use automatic telephone dialing systems in connection with text messages sent to any mobile phone number you enroll. You further acknowledge and agree:

- a. You are responsible for any fees or other charges that your wireless carrier may charge for any related data, text or other message services, including without limitation for short message service. Please check your mobile service agreement for details or applicable fees.
- b. You will immediately notify us if any email address or mobile phone number you have enrolled is (i) surrendered by you, or (ii) changed by you.

- c. In the case of any messages that you may send through either us or Zelle® or that we may send or Zelle® may send on your behalf to an email address or mobile phone number, you represent that you have obtained the consent of the recipient of such emails or automated text messages to send such emails or text messages to the recipient. You understand and agree that any emails or text messages that we send or that Zelle® sends on your behalf may include your name.
- d. Your wireless carrier is not liable for any delay or failure to deliver any message sent to or from us or Zelle®, including messages that you may send through us or through Zelle® or that we may send or Zelle® may send on your behalf.
- e. To cancel text messaging from us, send STOP to 20736. For help or information regarding text messaging, send HELP to 20736 or contact our customer service at 888.MIDFIRST (888.643.3477).
- f. You expressly consent to receipt of a text message to confirm your “STOP” request.

7. Receiving Money; Money Transfers by Network Banks

Once a User initiates a transfer of money to your email address, mobile phone number, or Zelle® tab enrolled with the Zelle® Service, you have no ability to stop the transfer. By using the Zelle® Service, you agree and authorize us to initiate credit entries to the bank account you have enrolled.

Most transfers of money to you from other Users will occur within minutes. There may be other circumstances when the payment may take longer. For example, in order to protect you, us, Zelle® and the other Network Banks, we may need or Zelle® may need additional time to verify your identity or the identity of the person sending the money. We may also delay or block the transfer to prevent fraud or to meet our regulatory obligations. If we delay or block a payment that you have initiated through a request for money, we will notify you in accordance with your User preferences.

If you are receiving a payment from a business or government agency, your payment will be delivered in accordance with both this Zelle® Terms, and the procedures of the business or government agency that is sending you the payment.

8. Sending Money; Debits by Network Banks

You may send money to another User at your initiation or in response to that User’s request for money. You understand that use of this Service by you shall at all times be subject to (i) the Zelle® Terms and the Agreement, and (ii) your express authorization at the time of the transaction for us to initiate a debit entry to your designated bank account. You understand that when you send the payment, you will have no ability to stop it. You may only cancel a payment if the person to whom you sent the money has not yet enrolled in the Zelle® Service. If the person you sent money to has already enrolled with Zelle®, either in the Zelle® mobile app or with a Network Bank, the money is sent directly to their bank account (except as otherwise provided below) and may not be canceled or revoked.

In most cases, when you are sending money to another User, the transfer will occur in minutes; however, there are circumstances when the payment may take longer. For example, in order to protect you, us, Zelle® and the other Network Banks, we may need additional time to verify your identity or the identity of the person receiving the money. If you are sending money to someone who has not enrolled as a User with Zelle®, either in the Zelle® mobile app or with a Network Bank, they will receive a text or email notification instructing them on how to enroll to receive the money. You understand and acknowledge that a person to whom you are sending money and who is not enrolling as a User may fail to enroll with Zelle®, or otherwise ignore the payment notification, and the transfer may not occur.

The money may also be delayed or the transfer may be blocked to prevent fraud or comply with regulatory requirements. If we delay or block a payment that you have initiated, we will notify you in accordance with your User preferences.

We have no control over the actions of other Users, other Network Banks or other financial institutions that could delay or prevent your money from being delivered to the intended User.

9. Liability

Neither we nor Zelle® shall have liability to you for any transfers of money, including without limitation, (i) any failure, through no fault of us or Zelle® to complete a transaction in the correct amount, or (ii) any related losses or damages. Neither we nor Zelle® shall be liable for any typos or keystroke errors that you may make when using the Zelle® Service.

THE ZELLE® SERVICE IS INTENDED FOR SENDING MONEY TO FAMILY, FRIENDS AND OTHERS WHOM YOU TRUST. YOU SHOULD NOT USE THE ZELLE® SERVICE TO SEND MONEY TO PERSONS WITH WHOM YOU ARE NOT FAMILIAR OR YOU DO NOT TRUST. ZELLE® DOES NOT OFFER A PROTECTION PROGRAM FOR AUTHORIZED PAYMENTS MADE THROUGH THE SERVICE (FOR EXAMPLE, IF YOU DO NOT RECEIVE THE GOODS OR SERVICES THAT YOU PAID FOR, OR THE GOODS OR SERVICES THAT YOU RECEIVED ARE DAMAGED OR ARE OTHERWISE NOT WHAT YOU EXPECTED) YOU AGREE THAT YOU, NOT WE OR ZELLE®, ARE RESPONSIBLE FOR RESOLVING ANY PAYMENT OR OTHER DISPUTES THAT YOU HAVE WITH ANY OTHER USER WITH WHOM YOU SEND MONEY TO, OR RECEIVE OR REQUEST MONEY FROM, USING THE ZELLE® SERVICE.

10. Limits

We reserve the right to limit the amount of funds that you may send using the Zelle® Service and the number and type of transactions you may initiate, and we reserve the right to change limits at any time, in our sole discretion. We may reject any transfer request you make using the Zelle® Service if it exceeds limits that we have set. If we allow you to request or send money in excess of any limit we have set, the terms and conditions of these Zelle® Terms and the Agreement still apply; and we will not be obligated to complete such a transaction again. We may change daily and transactional limits without notice to you. For information about limits, please call us at 888.MIDFIRST (888.643.3477).

11. Requesting Money

You may request money from another User. You understand and acknowledge that Users to whom you send payment requests may reject or ignore your request. Neither we nor Zelle® guarantee that you will receive money from other Users by sending a payment request, or that you will receive the amount that you request. Neither we nor Zelle® accept responsibility if the other User rejects or ignores your request, or sends you an amount that is less than you request. If a User ignores your request, we may decide or Zelle® may decide, in our sole discretion, that we will not send a reminder or repeat request to that User.

By accepting the Zelle® Terms, you agree that you are not engaging in the business of debt collection by attempting to use the Service to request money for the payment or collection of an overdue or delinquent debt; to request money that is owed to another person; or to collect any amounts that are owed pursuant to a court order. You agree to indemnify, defend and hold harmless Zelle®, its owners, directors, officers, agents and Network Banks from and against all claims, losses, expenses, damages and costs (including, but not limited to, direct, incidental, consequential, exemplary and indirect damages), and reasonable attorney's fees, resulting from or arising out of any request for money that you send that is related to overdue or delinquent amounts.

You agree to receive money requests from other Users, and to only send requests for legitimate and lawful purposes. Requests for money are solely between the sender and recipient and are not reviewed or verified by us or by Zelle®. Neither we nor Zelle® assume responsibility for the accuracy or legality of such requests and do not act as a debt collector on your behalf or on behalf of the sender of a request for money.

We reserve the right, but assume no obligation, to terminate your ability to send requests for money in general, or to specific recipients, if we deem such requests to be potentially unlawful, abusive, offensive or unwelcome by the recipient.

12. Your Transaction Errors

When you initiate a transaction, you authorize us to rely on the information provided by you, and you authorize us to act on any instruction that has been or reasonably appears to have been sent by you, to submit fund transfer instructions on your behalf. Other Network Banks receiving this information may rely on such information also. We are not obligated to take additional steps to confirm or authenticate such instructions and may act without any further confirmation. You are solely responsible for losses resulting from

your errors, duplication, ambiguities or fraud in the information you provide, subject to applicable law. We reserve the right to recover from you any costs or losses incurred as the direct or indirect result of you providing inaccurate or incomplete information.

13. Your Liability for Unauthorized Transfers
