Grown-ups! Snap a photo of your little saver's drawing and email it to us at seminars@midfirst.com with their first name and age for a chance for their drawing to be featured on our Instagram and Facebook pages!

## Super-Powered Savings!

Did you know that saving is a superpower? It sure is! It's tempting to spend ALL your money, especially when you see really cool things to buy, but having the self-control to save some for later is a great skill. What are some ways YOU save money? Both by yourself and with your family?

Cook a family meal Cook a finsty mea going to a restaurant

Make sure a toy is something you really, really want before you buy it
