

Money Madness!

START!

You saved your money instead of spending it! Move ahead two spaces.

SAVE, SPEND and SHARE
Think of a way kids can
and SHARE their money.

What is one thing you NEED
and one thing you WANT?

Whoops! You spent some money
on candy. Go back one space.

Whoops!
You kept money?
Where do YOU keep money?

Oh no!
You bought a shirt and never wore it.
Move back two spaces.

You shared some money with a charity!
Jump ahead two spaces.

A bank is a safe place to keep money?

Setting a goal is a great way to save money!

You saved your birthday money instead
of spending it! Move ahead one space.

Want a new toy? Try trading toys with
a friend or buying something used.

You bought something just
because it was cheap!
Move back one space.

Bonus space! Roll again!

You're almost there! Keep going!

You bought something just
because it was cheap!
Move back one space.

There are four quarters in a dollar!
How many pennies are there in a dollar?

You collected spare change and added
it to your bank account. Move ahead one space.

FINISH!

Saving a little bit at a time
adds up to a whole lot!

You collected spare change and added
it to your bank account. Move ahead one space.

Directions

1. Collect coins – a penny, dime, quarter and nickel – to use as game pieces
2. Borrow a six-sided die from one of your board games
3. Take turns rolling the die and following the directions on the landing space
4. The first person to make it to the end wins!
